Terms & Conditions

***Private Physiotherapy for
Children and Young Adults***

ABOUT ME

I have a BSc. (Hons) in Physiotherapy from Kings College University, London in 1995 and have specialized in Paediatrics since 1998.

REGISTRATIONS

1. I am a member of the Chartered Society of Physiotherapy (MCSP).
2. I am registered with the Health Care Professions Council (HCPC: PH49614).
3. Physio4kids is registered with BUPA as a Physiotherapy Provider (80009863)

SPECIAL INTEREST GROUPS

I am a member of:

1. Association of Paediatric Chartered Physiotherapists (APCP).
2. Organization of Chartered Physiotherapists in Private Practice (OCPPP).
3. The British Association of Bobath Trained Therapists (BABTT).

MY PRACTICE

I specialize in the assessment and therapy for children and young adults with delayed or disordered motor skills, including Cerebral Palsy and Muscular Dystrophy.

I also have an interest in treating children complaining of joint or muscle pains including back and abdominal pain.

The Services I can offer are: assessment, individual private physiotherapy, training and group sessions.

An appointment is arranged following a discussion of the child's difficulty and gives an indication as to whether physiotherapy may help. This is usually carried out over the telephone or at the beginning of the first appointment. This generally takes 30 minutes.

The Assessment usually takes 1 hour including a set of formal tests and observations are carried out before advice and exercises are shown to the child and family.

Reports from other professionals can be useful as part of the assessment and it is helpful to read these as part of the assessment

Treatment Goals are agreed with the client and their carers based on 'SMART' goal setting principles.

Individual Treatment/Therapy sessions are offered at a clinic, or your home. I can go into school by arrangement.

Follow up Sessions last approximately 50 minutes. I provide exercise programmes to carry out between sessions.

Treatment/Therapy techniques are chosen following the assessment. This can involve mobilizations, facilitation and/or exercise programmes.

Ergonomic Advice may be given if it is felt that this will help limit the risk of further pain or injury.

Summary Emails are written (with consent) after each session at no additional cost.

Letters and Reports are written as required and charged for separately.

THE FEES

All fees are charged per hour & pro-rata they include a summary email of appointment including updated exercises and advice.

- An Assessment is £75 per hour (up to 2 hours)
- Each ongoing session of therapy is £75 per hour.
